Dear Parents

It was announced in the Government's recent White Paper that from September 2023 schools will be expected to offer 32.5 hours per week. We wanted to write to update you on our progress with this.

We know that many families have children in both schools and our start and finish times reflect this. Having looked at our current timings we know that, over the coming year, it will be necessary to make some adjustments to the times of the day at both schools. We want to reassure you that we are continuing to work together in relation to any changes. Governors in both schools are in the process of looking at possible options and will consult with parents before any changes are made.

Yours sincerely

Mr R Fox and Mrs C Boddy
