Headteacher: Mr R Fox

13th June 2022

Dear Parents

We are writing to inform you of some proposed changes to the start times of the school day at both schools. This proposed change is the first part of our joint plan to meet the recent Government recommendation for the length of the school week.

We are proposing the official start time for all children in both schools is ten minutes earlier than currently. As both schools are proposing changing by the same amount of time this should not impact on those families needing to drop off at both schools and nursery. Many parents and children are already on site before the gates / doors open.

Donnington Wood CofE Junior School	Gates open	Registration
Current	8:35	8:45
Proposed change from September 2022	8:30	8:35

Donnington Wood Infant School	Doors open	Registration
Current	8:45	8:55
Proposed change from September 2022	8:40	8:45

If these changes are approved they will come into force from the start of the Autumn Term in September 2022. The length of the school day would be 6 ¼ hours in both schools, totalling 31 ¼ each week. Once we have further clarification about how the additional time can be used we will consult with our school communities about any further changes needed to increase to 32 ½ hours per week.

If you would like to feedback any responses to the proposed changes then please email either school by Friday 24th June.
