On Monday and Tuesday nearly all our Year 2 children spent some time at their new schools. It has been great to hear how they got on and all the things they are looking forward to in September.

On Tuesday we welcomed our new Reception children into school for a visit. They were absolutely amazing and were very quickly exploring the classrooms and outside area. We are really looking forward to them joining us in September.

Illness

This week we have had a number of children and staff absent due to a stomach bug.

If your child is sick or has diarrhoea they must stay at home for 48 hours after they are last unwell. This is Health Protection Agency guidance to minimise the risk of spreading illnesses.

Keeping one ill child at home may prevent a whole group of children and staff becoming ill.

Please remind your children to wash their hands regularly, particularly after going to the toilet and before eating.

School Reports

We are so incredibly proud of how hard everyone has worked this year and the progress they have made. Reports for children in school will be coming home on Monday 11th July. Information about new classes for September will be sent home with reports. If you require a second copy for a parent at another address please let the office know before the end of next week. If you would like your child's report translated into your home language then please let us know and we will do our best to arrange this.

Next week we are looking for people who are looking forward to changes.

Do you know someone who might be interested in being a School Governor? They do not have to be a parent or live in Donnington. We are looking for people who might be interested in joining our Governing Body. For more information please contact the school office.
