

What is Bullying?

A bully is someone who hurts someone else using their behaviour which is meant to hurt, frighten or upset another person. This is something that happens several times

Bullying is being mean or hurting someone...

Several
Times
On
Purpose

It's normal to fall out with friends sometimes but this isn't bullying.

Is it Rude, Mean or Bullying?

When someone says or does something unintentionally harmful and they do it once, that's

Rude

When someone says or does something intentionally hurtful and they do it once... or you do it back that's

Mean

When someone says or does something intentionally hurtful and keep doing it even when you tell them to stop or show them you're upset, that's

Bullying

What can you do if you or someone is being bullied?

Start
Telling
Other
People

If you need help telling a grown up, put a worry in the wishes and worry well.

What we do when Bullying happens:

Every incident is taken seriously and is fully investigated. If it is found that bullying has happened, sanctions will be put into place.

If someone is bullying it's usually because they are sad or feel bad.

We need to help them too!

If you are being bullied:

- Do:
- Tell them to stop
 - Tell a grown up.
 - Walk away.
 - Ignore them.
 - Remember it's not your fault.

Don't:

- Hide it.
- Hit back or get angry.
- Do what the bully says.

At Donnington Wood Infant School we all work together to:

Make our school a place where everyone can feel safe and happy and show we care.

Help everyone get on along with each other and we believe everyone has the right to be who they are.
