

Donnington Wood Infant School & Nursery

Newsletter

Friday 14th February 2025

On Wednesday Classes 5 & 6 put their pedestrian training to good use when they went on a walk around Donnington. They were brilliantly well-behaved and remembered lots about crossing the road safely. They came back to school and told us all about the different things they had seen around Donnington.

It was fantastic having parents meet with PODS in school on Thursday, providing them with information about support for children with additional needs.

This week Classes 1 & 2 having been busy testing their Fire Engines. They have used their learning about wheels and axles to make vehicles which roll down the ramp in the corridor.

Don't forget to return your slip to book a parent - teacher phone call or face-to-face appointment. If none of the times are convenient for you then please let us know so that we can arrange an alternative day and time.

We hope you all have a great break next week and we look forward to seeing everyone back in school and nursery on Tuesday 25th February.
