Friday 27th June 2025

Portakabin and Paveaways have continued to be busy on site this week preparing the temporary classrooms. There are now ramps and fire exits for all the classrooms and the internal fittings are being installed.

Over the next few weeks children will be beginning transitions into their new classes. Staff will be getting to know their new class and the children will be able to spend time with their new teacher before the end of term. We are also hoping the children will be able to see their September classroom, but this will depend on completion of the temporary buildings before the end of term.
