Newsletter

Friday 28th November 2025

It has been a busy week with Classes 1, 2, 5 & 6 all completing Pedestrian Safety training. They have taken part in learning activities in the classroom and put their learning into practice with a short walk in the local community. They should be able to tell you where to walk on the pavement and what to do to make sure they are crossing the road safely.

Parent meetings have continued this week. If you have not managed to meet with your child's teacher, please make contact with the office and we can arrange a suitable time. We hope parents have found the meetings helpful to celebrate your child's progress and understand how to support them at home.
