Newsletter

Friday 30th January 2026

It has been another very busy week in school and nursery with lots of new learning.

It is hard to believe that we only have 2 weeks left until the half term break. There are lots of activities available for children across Telford during the school holidays and we will pass on any information to parents as we receive it.

The builders are continuing the refurbishment work inside the main school and nursery building. It will be amazing when we get to move back in with new flooring, lights and decoration. We are hoping to move back in at the end of this term but will keep you updated on progress after half term.

Breakfast

An increasing number of children are arriving at school telling staff that they have not eaten breakfast before coming to school. We realise that sometimes this is because children have refused to eat what an adult has offered them at home.

We would really encourage children to be eating a healthy breakfast at home (cereal, porridge, toast etc) before coming to school. Children in school are offered toast / bagel when they arrive, but this is a healthy snack and is not a replacement for breakfast. Please let us know if you are facing any challenges with breakfast and we will see how we can help.
