## Friday 8th May 2026

Another busy week in nursery and school has flown by. We are so proud of all the children who have settled back into the main building so smoothly and with no real disruption to their learning.

Watch out for the crane which is arriving on Monday to take away the temporary classrooms. We do not expect the crane work to cause any disruption, but please park carefully, as there will be 25 HGV lorries accessing the school over a number of days next week. Although there shouldn't be any lorries around when children are arriving or leaving, please make sure children are with their adult and carefully supervised.

### Could you help our school?
