

Donnington Wood Infant School & Nursery

Newsletter

Friday 9th May 2025

We hope everyone enjoyed the long weekend last weekend. This week the children have been busy in school and nursery working hard and enjoying the sunshine.

On Thursday Classes 5 & 6 had a fantastic time visiting Hoo Zoo. It was their first trip out from school on a coach and they were all very excited!

A big thank you to Dobbies Garden Centre who have donated plants and other gardening materials. We really appreciate their generous support which has included a seed for every child to plant and grow. More information about this coming soon.

Building Work

This week Portakabin have begun the groundworks on the field in preparation for the temporary classrooms. This work will take around five weeks.

The children have enjoyed seeing the various lorries and diggers on the playground.

Thank you to everyone for your support with the changes to arriving and leaving school. Please can we remind afternoon nursery parents to wait at the bottom of the ramp to allow Year 1 parents to collect their children at 3:10, before nursery come out at 3:20.

Could you help
our school and
nursery?

There is currently a vacancy on the Governing Body for a parent governor. Parent Governors are able to bring expertise from living in the local community and their experience of nursery and school as a parent. There are usually three meetings each term. Support and training is offered for all new governors. If you would like to know more then please talk to Mrs Boddy or Mrs Bentley (in the office).

Wraparound Care

From September we will have after school care available every day of the week. To help us get an idea of the number of children who might use it, please complete the online survey that was sent out this week. The survey can also be accessed using this QR code.

Reading at home

We have been really encouraged to see that there are children who are reading at home regularly. We know that it is helping them to become fluent and confident readers. Children read regularly in school but with regular practice at home they make even better progress. Please don't forget to write in your child's reading diary when they read at home. If you have any challenges at home with your child's reading then please let us know and we will see what we can do to help.
