

Donnington Wood Infant School & Nursery

Newsletter

Friday 26th June 2026

It has been a challenging week in school and nursery with the extremely hot weather. We are fortunate that our building stays cooler than outside and we have space to move around to cooler areas if needed. The children have adapted so well to quieter play activities inside and finding different ways to keep cool.

During the week work started to renew the playground surface. Although we have seen many different machines and vehicles during the building work, we were all amazed to see the machines this week that made quick work of removing the surface. Most of the tarmac has now been laid, but work had to be paused due to the extreme temperatures. The work should be completed early next week. We are hoping to have the playground (and Church Walk entrance) back very soon!

Sports Day for Classes 1,2,3,& 4 has been rearranged to Friday 3rd July at Donnington Wood CE Junior School

Punctuality

Children settle much better at the start of the day if they arrive on time.

Doors for nursery open between **8:40 - 8:50** and **12:30 - 12:40**

Doors for school open between **8:40 - 8:45**
Registers in school are taken at **8:45**

If you arrive and the door is closed you must go to the school office and sign your child in. School staff will take your child to school or nursery.

Please make sure your child arrives on time every day.

Please make sure you let us know if someone different is collecting your child from school or nursery.

Could you help?

There is currently a vacancy on the Governing Body for a parent governor. Governors play a key role in making sure our school and nursery are the best they can be. If you would like to know more about being a governor, please talk to Mrs Boddy, Mrs Hannington or Mrs Bentley (in the office).

Cost of living support

There is information on our 'Help & Support' page ('Parent' tab) on our website about the cost of living. There is also a flyer available from the office or Mrs Butler with lots of helpful weblinks and QR codes. On the same page you can also find information about help with housing, fuel costs and landlords.
